U.S. Department of Agriculture

FALL - - - **1927**
AND
SPRING - - - **1928**

PRICES: Prices in this list cancel all previous lists and are subject to change without notice. Deliveries of \$10.00 and over are made to all parts of Cleveland and Akron.

QUANTITY: At the prices named herein 50 plants will be furnished at the 100 rate.

TERMS: Cash with order, except when the planting is done by our own men, then the amount covering the work and material is due at time of completion of work, as per invoice rendered, this being due and payable at the office of the company ten days after completion.

All plants that we plant ourselves are absolutely guaranteed for free replacement. We guarantee all material and workmanship for the period of two planting seasons of one year, replacing all material which shall have become defective one year from date of completion of work. Of course, it is understood that the customer is to take reasonable care of all material according to directions given him by our representatives or in any printed matter issued by us.

We make regular seasonal inspection of all our plantings to see if everything is as it should be and give any suggestions necessary for the care of same.

LANDSCAPE SERVICE: We maintain a thoroughly trained landscape organization, equipped in every respect from the drawing of plans to their execution.

LOCATION: Our Nurseries and offices are located 8 miles from the Cleveland Square on the Brecksville road.
